

Encore Photography - Additional Wedding Photographs Form

Use the lines on this page to detail the additional photographs which you require. We need a list of all guests **other than those in the Wedding Party** who are to be photographed, and also, with what members of the wedding party. To help us, please give details of relationships as well as names, for example 'Cousin Jean and husband Jim', etc. We will also require the assistance of a member of the wedding party, perhaps an usher, bridesmaid or best man, to help us identify and gather the people concerned.

Please provide us with a copy of your wedding day itinerary to allow us to check that there will be enough time for us to take the photos you require.

If you have more than 15 additional photos reprint this page and use numbers 16 through 30

Please leave the tick boxes empty for us to use on the day.
